Information Technology(IT)

Individual Coursework

Year And Class

2024/L3-sectionB

Student Name: Jeena Shrestha

UWE ID: 24000881

Description

This is my first time making a web page for myself where I used HTML and CSS codes. I have used nav-bar; Home, About Me, Portfolio, Services, Contact me. I have used my own images for the portfolio as well as the icons for the services part. I Have used black as my theme colour. And red for the highlight part in the services part. And i have mentioned website design, ux/ui design and digital Marketing in my services.

Fifth Page

Contact me Page

This is the page where customers can contact me and inquire about my services.

The image shows a contact form on a dark background. At the top, there is a horizontal navigation bar with five items: "Home", "About Me", "Portfolio", "Services", and "Contact Me". Below the navigation bar, the word "CONTACT" is written in large, bold, white capital letters. The main area of the form contains three input fields: a text input for "Enter Your Name", another for "Enter Your Email", and a larger text area for "Enter Your Message". At the bottom right of the form is a "SEND" button.
